

## Amputees Helping Amputees Extravaganza 2009

*Celebrating 8 Years of Mobility*

Amputees Helping Amputees (AHA) is once again holding our annual celebration at Jefferson- Patterson Park and Museum in St. Leonard, Maryland on Saturday, Sept. 12, 2009 from noon to 5 p.m. I want to take this opportunity to once again thank you for your past support of our much anticipated event. As you know, part of our event which draws amputees from the greater DC area including Walter Reed Army Medical Center is a vendor display area. We are requesting your participation again this year with a \$200 contribution for a reserved vendor display space located under a large pavilion that is protected from the elements.

*Extravaganza 2009* will raise funding for our support group's activities throughout the year including monthly activities, individual assistance to local amputees as needed and a family holiday party. Your participation is again vital to our program's success.

Last year, our event drew over 200 people as well as coverage by local media. It is a great outing which our members look forward to each year. For many, it is a relaxing time away from their daily challenges. The event includes a catered picnic, live band, family activities and most of all, a lot of interaction with fellow members and community volunteers.

To make your reservation or, for additional information, please contact me at 410-535-8210 or 410-610-5085. Checks should be made payable to:
