

Amputees Helping Amputees Health Fair & Picnic

Celebrating 9 Years of Mobility

Amputees Helping Amputees (AHA) is once again holding our annual celebration at Jefferson- Patterson Park and Museum in St. Leonard, Maryland on Saturday, August 28th from noon to 5 p.m. I want to take this opportunity to once again thank you for your past support of our much anticipated event. As you may know, part of our event which draws amputees from the greater DC area including Walter Reed Army Medical Center is a vendor display area. We are requesting your participation again this year with a \$250 contribution for a reserved vendor display space located under a large, protected area pavilion.

Extravaganza 2010 will raise funding for our group's activities throughout the year including monthly events, individual assistance to local amputees as needed and a family holiday party. Your participation is again vital to our program's success.

Each year, our event draws over 150 people including coverage by local media. It is a great outing which our members look forward to each year. For many, it is a relaxing time away from their daily challenges. In addition, the displays, health information and screenings help them to deal with many of these challenges. The event includes a catered picnic, live band, family activities and most of all, a lot of interaction with fellow members and community volunteers.

If you are interested in participating as a vendor for the Amputees Helping Amputees Health Fair & Picnic, please return the attached form to Stacie Browning by fax at 410-535-8397 or sbrowning@cmhlink.org. **To guarantee your space, please reply by August 1, 2010.**

Checks should be made payable to:
