

AHA January 2010 Newsletter

Happy New Year! AHA is now 9 years old and going strong. First, I want to say Thank You to everyone who helped put the 8th Annual Holiday Party together. We had a great turn out of lots kids, new amputees and families. Special Thanks was sent to Santa and Mrs. Clause for riding in on their sleigh. That was something to see! Don Patterson took some wonderful photos and you can see them on-line.....www.oohrah.net/aha..... Thank you Don for your continued support of AHA and being our website master.

The next AHA meeting will be either in March or April. If anyone has a topic or knows of a speaker who would like to do a presentation, please drop me an E-Mail or feel free to call me anytime. We will have 4 meeting this year based on interest and topics. The Amputee event is the last Saturday in August then the annual Holiday Party in December. The website makes information easier to obtain. If you don't have a compute, consider your public library. Until the next meeting.....
